## SKILLS

UI/UX Design, Interaction Design, User Research & Usability Testing, Design Systems, Prototyping & Wireframing, Accessibility Best Practices, Motion Design, Graphic Design, Web Design.

## TOOLS

Figma, FigJam, Adobe Creative Cloud (Illustrator, Photoshop, After Effects, Premiere Pro), HTML, CSS, Shopify, Powerpoint.

## EXPERIENCE

### UI/UX Designer | FLUI Design Jam

July 2026 – Present

- Built the visual brand system and deck within a 5-person team (color, typography, icons, components).
- Wireframed and prototyped 4 web sections in Figma, applying accessibility best practices and usability patterns.
- Conducted cross-functional handoff with development team to align on UI specifications.

### Design Intern | TEALEAVES

April 2026 – August 2026

- Conducted visual exploration and iterative design refinement from client briefs to final production-ready files using Adobe Illustrator and Photoshop.
- Collaborated with stakeholders to design 16+ event materials (signage, menus, collateral) for 250-guest culinary experience, incorporating brand guidelines and accessibility considerations.
- Maintained seasonal visual assets and UI updates across Shopify storefront (product pages, hero sections), optimizing for visual hierarchy and user experience.

### Product Designer | ScrapBooks

May 2026

- Led user research with 35 Gen Z travelers, mapping pain points and behaviours to inform mobile UX decisions.
- Designed low-fidelity wireframes and high-fidelity Figma prototypes for proposed Apple Maps feature, incorporating research learnings and accessibility considerations.
- Collaborated cross-functionally with 4-person product team to align on feature scope, user needs, and design solutions.
- Won Best Community Project at SparkJam 2026.

## EDUCATION

### B.A. Interactive Arts & Technology | Simon Fraser University

September 2024 – May 2029 (Expected)

- Double concentration in Designing Interactions and Design & Development for Web & Mobile
